The ~~only~~ one way in which Miss Govindarajan can be given Rs 600 a month seems to be by appointing her as a Supernumerary Surgeon of the 1st class

Enclosed 118-13-1 18

No.170 dated 26/27-12-13, from the Medical Officer, Maternity Hospital, Bangalore, to the Senior Surgeon, Mysore Government, Bangalore.

I have the honor to bring to your kind notice the fact that I have had no promotion for about 13 years.

Now that there is a vacancy in the first grade caused by the promotion of Dr. T.V.Arumugam Mudaliar I request that you will be so good as to kindly recommend me for the same.

You are no doubt aware that I was the first Lady Doctor appointed in the Mysore Government Service, since, I have done good work in Mysore and Bangalore. The reports of my superior officers will testify to this. I was the first to make the female hospitals popular. You know how difficult it was in the early days to induce Brahmin and Purdah women to seek aid in hospitals.

I was also the first to train Nurses; long before the Dufferin and Victoria Memorial Funds were established for the Mysore Service.

I am proud to state that all Senior Surgeons consulted me on matters referring to women's Hospitals and the -- Nursing Staff.

Besides you are also aware that I am a Specialist in Midwifery and hold certificate of Licentiate in Midwifery of the Royal College of Surgeons, Ireland and have had special and practical training in the Rotunda Hospital, Dublin. I should have been given the Specialist grade. Even there my claims have been overlooked. I am sure you will not consider Midwifery inferior to Bacteriology, Eye Diseases, and Rontgen Rays since women's lives are at stake during their confinements. I must ask you to kindly pardon me for self praise. But unless I assert my claims I find I am overlooked.

I shall be very grateful to you if you will kindly recommend me and to the Government if they should give me my due promotion.

Sir

I have gone through the notes in File No. Med 118 of 1913-14 and also the note prepared in the Secretariat on the "Women's Medical Service." The vacancy that has taken place in the 1st Class Surgeoncy must necessarily go to Dr. E.S. Krishnasawmy Iyer, who is the senior officer in the list. But during his absence on deputation and without prejudice to him, it may be temporarily given to the applicant Miss Govindarajulu who stands next in the list, if the rules permit it. As regards the "Women's Medical Service," I append a separate note, which embodies my views on the subject.

The papers received with your office D.O.No. 8165/Med.118-13, dated 28th February 1914, are herewith returned.

Med 118-13 &c:3

Sir,

With reference to your letter No.1001-Med.118-13-2 dated 25th July 1914, requesting me to give my opinion in the matter of the claims of Miss R. Govindarajulu for the grade of Specialist, I have the honor to state as follows,-

2. In the Indian Medical Service, officers below the rank of Lieutenant Colonel, when appointed to certain posts where special operative work is done, receive, in addition to their grade pay, 'a specialist-pay at the rate of Rs 60/- a month.'

3. In the Local Service, several officers have been designated as Specialists and started on a pay of Rs 400 a month rising to Rs 600/- by annual increments of Rs 25/- (or in 8 years.) These Specialists are engaged exclusively in one branch of surgical or other work. The members of the general service who, on the other hand, have to perform work in various branches of medicine and surgery and whose duties are much more onerous than those of the so-called Specialists, are started as a general rule on Rs 80 a month, and can attain to Rs 300/- the pay of a 1st Class Assistant Surgeon, only after a tedious course of at least 18 years' service, not to speak of numerous transfers.

THE SENIOR SURGEON

SUBJECT.

Amend the pro-
motion of Miss R Govinda
rajulu to the grade of
Specialist

4. I am not, therefore, in favour of adding any more to the number of Specialists and thereby increasing the discontent among several deserving Assistant Surgeons of the first class who have been without any promotion for several years and whose cases deserve immediate consideration. I am submitting a separate communication to Government in this connection.

D 1216 in Med file 21-13 submitted separately.

5. Miss Govindarajalu has been, from the beginning of her service, engaged in her special line of work, viz.,midwifery and the treatment of diseases peculiar to women and children just as other specialists have been in their respective branches of medical work. But while the latter have reached their maximum pay of Rs.600 long ago, the former, in spite of her long service of 27 years, could not get more than Rs.500, because she has been placed in the general list, in which there is no -- likelihood of a vacancy in the First Grade (Rs.600) occurring for some years to come.

6. In consideration of the above facts and also of the fact that Miss Govindarajalu has been a very popular lady medical officer and the first lady with European qualifications - entertained in the local service, her case may be favourably viewed and she be given a pay of Rs.600 as a special case.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.
